A COUPLE OF IMPORTANT NOTES....

Exhibitors are responsible for cleaning up after their dogs immediately on hotel/motel and show grounds. Motels/hotels require that dogs be crated when unattended; no bathing or grooming of dogs in guest rooms. Exhibitors/handlers are responsible for any damages to motels/hotels or the event site and may result in disciplinary action by the Event Committee. Entries may be refused in the future for previous misuse of the motel facilities. This is an AKC-supported measure.

PLEASE REMEMBER: Hotels do not have to allow us to keep our dogs in the rooms. We are all responsible for insuring future pet acceptance at our favorite hotels. Please clean up after your dogs (inside and outside), keep them quiet so as not to disturb other guests, and generally be considerate of others. We all want to continue to have nice places to stay when we travel with our dogs.

Motel/RV Park Information

NOTE: The club cannot guarantee that the hotels/motels listed below accept dogs. Please check regarding rates and dog acceptance policy when making reservations.

Please inform management of your dogs when you book reservations and when you register. Motel dog regulations and fees may change without notice. The club cannot be responsible for any changes.
