Check-In and Measuring Info Armbands Not Required

Chapter 1, Section 19 of the Regulations for Agility Trials has been amended to eliminate the mandatory use of identifying stickers/armbands worn by agility exhibitors. DPOCM is not requiring armband stickers.

Traditional check-in is not required. Please check in at the gate on the gate sheet prior to your class.

Exhibitors are required to have a valid Official Jump Height Card/ Valid yellow form for each of their dogs and must be able to present it at any time if requested during the trial. **There will be not be a Measuring Official at this trial.**

Measurements will not be official -- it will only get you through the weekend. All exhibitors who checked on the entry form that their dog needs to be measured must be measured before running (unless you're jumping 24"). If you are entered in Novice or Open, you do not have to get there early to check-in. It will be open all day. We will do measurements before either Novice or Open.. **If your dog needs to be measured, it is YOUR responsibility to have a measurement done prior to running and failure to do so will result in the cancellation of any qualifying scores.**

Exhibitors are expected to maintain hotel premises and their dogs in a quiet, clean and well-kept manner and for cleaning up after their dogs immediately on hotel/motel and show grounds. Motels/hotels require that dogs be crated when unattended; no bathing or grooming of dogs in guest rooms. Exhibitors/handlers are responsible for any damages to motels/hotels or the event site and may result in disciplinary action by the Trial Committee. Entries may be refused in the future for previous misuse of the motel facilities.

Complaints lodged against any exhibitor will be under the auspices of our Trial Committee and reported to the AKC. This is an AKC-supported measure.

PLEASE REMEMBER: Hotels do not have to allow us to keep our dogs in the rooms. We are all responsible for insuring future pet acceptance at our favorite hotels. Please clean up after your dogs (inside and outside), keep them quiet so as not to disturb other guests, and generally be considerate of others. We all want to continue to have nice places to stay when we travel with our dogs.
